HON. H. O. BURSUM CALLS A HALT

Albuquerque Morning Journal Must Account For the many Slanderous Thing it has said Concerning Bursum

JOURNAL HAS ASSAILED BURSUM FOR YEARS

The Albuquerque Morning Journal has been lying about honorable men for years. It has slandered almost every man who has come into prominence in New Mexico within the past ten years. Its friend of today has been made the victim of vile libel tomorrow. It has been on all sides of all questions and all things to all men.

The Journal has been utterly ruthless. It has slandered honest men of all political faiths. It has appeared to believe itself unaccountable to any principle or any law. It has sneered at the truth and snapped its fingers at decency.

The Journal has assailed H. O. Bursum for years. Knowing that its statements are untrue, it has repeated them over and over, with deliberate malice. It has been wholly reckless and has seemed to dare truth and justice to punish it.

Mr. Bursum should have sued the Journal for libel five years ago when it first poured out its streams of slander against him. He had at that time a case so absolutely complete that no thinking man doubted what the outcome would be should he act. His friends insisted that he punish the Journal. Mr. Bursum now agree that his friends were right and that his patience was maintained too long. He owed it to his party and to all decent newspapers then to act, if not in his own defense, then in defense of the party which named him to bear its standard, and he owed a duty to principle.

Mr. Bursum owes the same duty now and in acting to bring the Journal to account he has done his simple duty and no more. The people of this state are glad that he has taken this step which is so obviously the step which should be taken by any honorable man so slandered. It will be for the best interest of New Mexico that this newspaper, which has done so much to injure the good name of the state, be checked and punished.

Mr. Bursum's friends and supporters will be found a unit in approval of his action against the Journal. And with them will be found every fair-minded man and woman in New Mexico in approval of a course which every consideration of justice and fair play and common decency has made imperative.

Rev. and Mrs. E. D. Lewis left the first of the week for their new work in Tucumcari. Rev. Marston and wife, their successors, will begin their work here by Sunday.

HON. JAMES V. TULLY, Candidate for Senator of 15th District

J. V. Tully, Candidate for Senator of the 15th Senatorial District, comprising the Counties of Lincoln, Torrance, Socorro and Otero.

A WORD TO THE WISE:

The U. S. Government is going to take a hand in road building.

An appropriation of 78 million dollars has already been passed for division among the States.

New Mexico's share would be about one and a quarter million dollars.

But our Road laws must be made to fit the terms of the appropriation.

VOTE FOR TULLY.

His record in the State Legislature shows him diligent and urgent for good Road laws.

A vote for Tully is a vote for Good Roads.

COVERING GROUND

The candidacy of H. B. Hamilton for re-election as district attorney is receiving the encouragement with a record like his deserves. He is canvassing energetically not only this county but the other counties included in this judicial district and his wide acquaintance is again standing him in good stead. The people have always shown an inclination to restore to office a man who has proved his ability, and the rule holds good in this instance. Mr. Hamilton has shown the people a record for fearless prosecution of all the law-breakers and bases his candidacy for re-election November 7th upon this record and not upon any untried promises.

GEORGE HAS A BIRTHDAY

On the occasion of his twenty-sixth birthday George Ferguson was the recipient of a surprise party last Monday evening, the affair planned by Mrs. Ferguson. The invited guests were Miss Grace Jones, Mr. and Mrs. R. R. Sale, Mr. and Mrs. A. C. Hooper, Mr. and Mrs. Randolph Forrest and Mr. and Mrs. Andrew McCurdy. Music was the chief diversion of the evening and assorted candies and chocolate and cake were the refreshments. The Outlook wishes Mr. Ferguson many happy returns of the day.

H. O. BURSUM TO SPEAK HERE

Saturday night will mark the firing of one of the big republican campaign guns in Carrizozo, as Holm O. Bursum, candidate for governor, W. E. Lindsey for Lieutenant Governor and J. H. Wagner for State Superintendent of Schools will speak at Wetmore's new hall. Senator A. B. Fall has also arranged to be present at this time and uphold in his own way the republican standard. As a natural result the meeting will be a stirring one and will attract a record crowd. To enhance the attendance upon this big political rally, Manager Geo. J. Dingwall of the movies has arranged to run his motion pictures at the scene of the political speaking and make no charge for admission. Thus a big crowd is assured. The candidates will no doubt take advantage of the rare opportunity offered to present their claims upon the popular vote and to answer attacks made upon their personalities and records, especially Mr. Bursum who has been the free-for-all target of the Democratic delegation in New Mexico.

HARRIET KIMBEL ENTERTAINS

Miss Harriett Kimbell was the delightful hostess to the last of series of parties Thursday night. The evening was spent in dancing after which dainty refreshments were served, the guest departed declaring Mrs. Kimbell a charming hostess.
